Joke of the Week

Paddy gets a phone call from Murphy. "Paddy," says Murphy, "I've got a problem." "What's the matter?" replies Paddy "I've bought a jigsaw and it's too hard. None of the pieces fit together, and I can't find any edges." "What's the picture of?" asks Paddy "It's of a big rooster," Murphy replies. Paddy says, "Alright, Murphy, I'll come over and have a look." He gets to Murphy's house and Murphy opens the door. "Oh thanks for coming Paddy." He leads Paddy into the kitchen and shows him the jigsaw on the kitchen table. Paddy looks at the jigsaw, then turns to Murphy and says, "For fecks sake Murphy, put the cornflakes back in the packet."

Run No 278

The Lincolnshire Poacher Nottingham

Hares - Skidmarks and Scrooge
RA - Baritone and Titty Titty Bang Bang
Scribe - ~~Matti~~ - ~~teaser~~ Maltenser

Down downs

Hares - Scrooge for not going to the red light area..
- Skidmarks for the trail ..

Kelly - Virgin - Visitor from Chicago .

~~Maltenser~~
~~Matti-teaser~~ - New shoes .

Sleazy Rider { Nominated the birthday boy 2 Tuff to share ... } For planning a Sunday run in Snowdonia (Sundays being dry) .

I nearly didn't make it on time but on arriving at the chosen watering hole , the hashers present didn't seem in a hurry to leave , so I settled down with a drink and chatted to the virgin from Chicago who was looking forward to the hash as she felt that the maze of Nottingham streets will become less frightening afterwards , (it has never worked for me ... but eh I'm not renowned for my navigation skills !) .

Bugger and Goblin arrived breathless after their dash , and finally we set off after Skid enlightened the pack about the various checks paying particular attention to the one on the island that isn't an island but there again it is sort of .

Baritone and Bugger were the FRB's and there was more than a hint of excitement in Baritone's voice when he cried out " The Red Light Area ! " , and ran faster in the hope of a glimpse of a naked thigh and a suspender belt , but alas it was not to be as we skirted round it so near and yet

This was a pavement hash and not a smidgen of shiggy in sight . What a shame ! I wasn't complaining since it was decided that I had new shoes , even though the pong emanating from them couldn't have escaped anyone's nostril , I knew that I'll be drinking out of them despite my protests .

The Trip to Jerusalem provided the pack with a welcome rest . Bugger offered me his lap but wouldn't say if it was soft so I sat on a hard bench instead !

I was disappointed to hear Titty Titty Bang Bang ~~to~~ prove his theory that God isn't a woman otherwise spunk would be chocolate flavour, however I was devastated to realise that the GM cannot be God either as we all know that PG is a chocoholic.

Back at the On INN, Baritone was full of praise for the hares and their choice of pub and the night ended with a ruckus chorus of Happy Birthday for 2 Tuff.

Quorn Hash House Harriers - Rash Hag

You have heard the song now read the alternative
NEVER MIND THE SUNSCREEN - UNDERWEAR

If I could offer you only one tip for the future, underwear would be it. The long-term benefit of not wearing underwear has been proved by perverts, whereas the rest of my advice has no basis more reliable than my own gibbering shite. I will dispense this advice now.

Enjoy the power and beauty of girlie youth. Oh, never mind. You will not understand the power and beauty of girlie youth until they've faded. But trust me, in 20 years, you'll look back at photos of yourself and laugh loudly at that ridiculous haircut recalling how cool you thought you were. You were never as trendy as you can imagine.

Don't worry about the future. Or do worry, but know that worrying is as effective as trying to kiss your own arse with a blindfold on. The real troubles in your life are apt to be things that never crossed your worried mind, the kind that slap your dish at 4 pm on some idle Tuesday.

Do one thing every day that scares someone else.

Fart.

Be reckless with other people's hearts. Use them and abuse them. Don't put up with people who are reckless with yours.

Shag.

Don't waste your time on jealousy. Sometimes you will get good head, sometimes you won't. The race is long and, in the end, it's only with yourself.

Remember compliments you receive. Punish insults. If you succeed in doing this, tell me how.

Don't keep your old love letters. Throw away your council tax bills.

Drink.

Don't feel guilty if you don't know what to do with your life. The most interesting people I know didn't know at 22 what they wanted to do with their lives. Some of the most interesting 40-year-olds I know are lesbians.

Get plenty of sex. Be kind to your sheep. You'll miss them when they're gone.

Maybe you'll marry, maybe you won't. Maybe you'll have group sex, maybe you won't. Maybe you'll divorce at 40, maybe you'll have a threesome on your 75th wedding anniversary. Whatever you do, don't congratulate yourself too much, or berate yourself either. Your choices are half chance. So are everybody else's.

Quorn Hash House Harriers – Rash Hag

Enjoy your body. Use it every way you can. Touch it, stroke it, caress it feel it all over. oh excuse me. Don't be afraid of it or of what other people think of it. It's the greatest instrument you'll ever own.

Masturbate, even if you have nowhere to do it but your living room.

Read the joy of sex, even if you don't follow it.

Do not read dirty magazines. They will only make you go blind.

Get to know your parents. You never know when they'll be gone for good. Be nice to your siblings. They're your best link to spare cash and the people most likely to lend it to you in the future.

Understand that friends come and go, but with a precious few you should hold on. Work hard to bridge the gaps in your teeth, because the older you get, the more you need the people who knew you when you had your own.

Peep into changing rooms once, but leave before it makes you hard.
Sleep with ugly people once, but stop before it makes you soft.

Copulate.

Accept certain inalienable truths. Prices will rise. Politicians will screw you. You, too, will go bald. And when you do you'll fantasise that when you were young, prostitutes were cheaper, politicians' sons shagged Emma Noble, and children worked up chimneys.

Respect yourself.

Don't expect anyone else to support you. Maybe you have a large penis. Maybe you'll have a wealthy spouse. But you never know when either one let you down.

Don't mess too much with your hair or by the time you're 40 it will look like 85.

Be careful whose viagra you buy, but be patient with those who supply it free.

Advice is just a load of bullshit. Dispensing it is a way of fishing the past from the dustbin, wiping it off, painting over the ugly parts and recycling it for more that it's worth.

But trust me on the underwear

Your On Sec's dribbling shite...

By miracle of miracle I've had a write up this month, scribbled on, but its here none the less. Where's the rest I ask?.. It has been suggested to me that in order to speed up receipt, the amount of subs that **we** pay relates directly to how early/late our last write up is. This would mean that when PG or Wet3 are scribes they would have to take out a 2nd mortgage, but it would work on a sliding scale of say £1 for the week after the run, then rising by 25p for every subsequent week that the write up is not rec'd here, at Hash Rag Towers.....

SO GET THEM IN OR YOU'LL PAY BIG TIME.....

Ken Black, a member of Mickleeover H3, has arranged a hash in Shepshed, at the (bottom) Railway, Charnwood Road on Tuesday 29th June @ 7.00pm (See Flyer). This has been arranged, in order to show Shepshed Running Club what Hashing is all about, so if you can make it along, it would make his explanation of hashing sound a tad better. And, as Shepshed is Quorn territory it could be seen as excellent Opp to get some new recruits.

Event News - Past

While 12 QH3ers enjoyed a cracking weekend in Edale on 5/6th June, another 4 travelled north to the Scarborough 1000th, where they made up a contingent of no less than 9 hashers from outside Yorkshire! amongst the 100 that enjoyed the weekend. Also TT & PG ventured to Kent at Whitsun Bank Holiday for the W.A.N.K. 50th.

Feel to give me a write up of your adventures or better still pictures!!!!

Event News - Future

We have now secured 12 of the 100 places at Narfuck at the beginning of July and with Wet3 & Showman taking up the spare tickets, we've now got 13(?) representatives at Nash in August. For those of you who can't wait that long, Cardiff are having one of their weird but wonderful weekends on 25/27th June (see flyer). And for those of you who are looking further afield, you can do no worse than join Warmers & Big Phut at EuroHash in Turkey in September. I believe that the price has been frozen and they are still taking bookings.

WHY WOMEN ARE LIKE FOOTBALL PITCHES:

1. There is a vast difference in grounds with regards to length and width, thus varying the quality of the play.
2. Pitches vary from the well-grassed to the completely bald.
3. Remember it is possible to score at both ends.
4. Tackling from behind is not always an offence - check with ground owner.
5. Be careful, as after a few pints a ground appears to be of Premiership standard but in reality would not even be eligible as a council dumping ground.
6. Only some grounds offer five-a-side facilities.
7. Don't ever make public your desires to play at Wembley, also, never mention pitches previously visited.
8. Extra time is dependent on subsequent pitch bookings.
9. If the ground does not seem to have under-soil heating suggest calling the game off, possibly even contact coroner.
10. When building a team it is always nice to finish with Seaman at the back.
11. Wet pitches allow for long sliding tackles.
12. Always tread carefully when leaving the pitch and entering the tunnel.
13. Personal morals may be compromised by local derbies.
14. It is illegal to play on small, unturfed pitches.
15. From time-to-time the goal may be obstructed by a highly absorbent goalie.
16. Russian grounds are frequently more grassy.
17. Very few grounds are found with executive boxes.
18. Be wary of grounds with room for coaches.
19. Always be on the look out for grounds that host ladies football two evenings a week.
