Joke of the Week

There was a couple who were big over-spenders. They always dreamed to spend holidays in Hawaii, but never able to save any money to do so. One day they came with an idea -- each time they have sex, they will put \$20.00 bill into piggy bank. They bought the piggy, and followed that procedure for about a year. After that time, they decided that there is enough money for their dream vacation and broke the piggy bank. The husband looked at their savings and said:

"Isn't it strange. Each time we had sex, I put \$20.00 into piggy. But here we have many \$50.00 and a few \$100.00 bills."

The wife replied: "Do you think that everybody is as stingy as you are?"

RUN #256 THE RISING SUN HOSTELRY , SHACKERSTONE

The day dawned hot , bright and sunny ... yippee , Summer this year was going to be on a Sunday morning after all ! The circle was perfectly formed when the Grand Mattress announced that yours truly was to be the On Sex - must have been the way I was standing but hey you can only be a virgin *scribe* once in your life ...

Hen Pecked our *well hung*-over hare ably assisted by Firkin promised the pack a plethora (lots , many , oodles and oodles) of checks with both short limp and long hard (ooh eer missus) trail options available...

Off we set and it wasn't long before Bugger and Barritone were in discussion with a local farmlady about the merits of definitive public rights of way - why don't you check out an Ordnance Survey map you old battleaxe ? ... the fact that it was a false trail was of minor consequence !

The heat was by now about gas mark seven and rising - had the hare been studying Japanese game shows ... even Barritone was seen to be walking - an excuse of having to cycle 27 miles to the pubbe was volunteered - if only Shackerstone hadn't lost its British Rail passenger services in 1965 (Firkin told me this anorak information), he could have been spared , bless him !

A holding check was deliberated over and finally called for the benefit of the tailenders but not before Dogbolter had sprinted off up the hill in search of Fiona the beautiful big breasted busty barmaid with the 48DD lovely luscious wubbly jubbles (Who says size doesn't matter ???) - pah , what a waste of energy , Odstone didn't even have a pub !!

The beer stop was ultimately reached and needless to say there was no surprise for our dry throats and dehydrated bodies to be greeted by an ample supply of out of date beer but no ordinary out of date beer I hasten to add ... but 40th Anniversary Limited Edition Traditional Bitter made by Santa's little helpers and brewed in Lapland in the shadow of Santa's Grotto ... no wonder it was bloody well out of date !!! Blow did his best to pass on our festive jolliment to two narrow boats laden with a party of pre wedding females but he would have had more luck in finding a softie to drink ...

From here on in , some short-cuttred , some didn't , but on our return we did discover the late arriving Mudflaps visiting us from the Syston time zone (Hash Morning Time + 1 Hour)

Down downs were administered amongst others to the following misdemeanours ...

- Big Phut - Corrupting a minor with his intimate knowledge of Captain Zero -a *big* star in the world of adult education videos
- Too Tuf - For a long hesitational pause ... he just lost it ... but did he ever have it in the first place ? ...
- Kentucky - A long returner ... long time , no see
- Barritone - Presented with an additional love mark on his buttocks courtesy of Judith (thank goodness we hadn't eaten !)
- Dogbolter - Lost himself between four big bouncing bulging balloon boobies - who needs Fiona to put a smile on his face ? ...
- Henpecked & Firkin - Failure to spend hash funds as previously promised - NO trip on the steam train , NO trip on a canal barge and NO steak & chips at the pub

Your On Sec Writes.....

We have now got a decision on where and when the Quorn Christmas Party is going to be, so put this in your diary, timeplanner, agenda etc.

Saturday 5th December,

Pub crawl around some 'choice' hostelrys of Nottingham,
and then probably ending up at the 'Beer Keller'

Crash space available at various locations. Contact Too Tuf/Skidmark

Followed by a hangover run on Sunday 6th. Location TBA

Any further details will be announced in the 'Circle'

Also, our friends at Mickleover are having their usual Xmas full day pub crawl this year at Ashbourne, on Sunday 27th December starting at 11.30 (am) at the Market Place Car Park. There may be a mini-bus from Mickleover to help get you there. This is GUARANTEED to be a scorcher, as they usually have a fancy dress theme, include a food dispensary enroute and end up playing stupid games like 'Fuzzy Duck' and Bunnies. For any more details contact Dobber on 01332 512087

For those of you that read this column last month, you may be wondering where the promised 'bollock paper' is. Well, after re-considering the issue, I've decided that the December issue would allow more scope for inclusion of the November runs. And, seeing how nobody has responded to my request for ideas for categories I've devised my own.....You'll have to wait and see what these are !!!

Last month I included some puzzles for your enjoyment, and judging from the response, (Some one said they like doing the word search) you're getting some more. I've also included the answers to last month's, mainly to prove that there was 25 hashers in the search.But the solution to U2's problem, I feel needs more time, there is a solution, so easy its painful, so you can suffer some more.

You may also notice the ad for the Panto opposite, tickets cost £15 unless 20 of us go together ! You can't beat a bit of Ooohs, Aaaahs and 'he's behind you', before a night out can you?

Types of Shit

THE GHOST SHIT

The kind where you feel shit come out, see shit on the toilet paper, but there's no shit in the bowl.

THE CLEAN SHIT

The kind where you feel shit come out, see shit in the bowl, but there's no shit on the toilet paper.

THE WET SHIT

You wipe your ass fifty times and it still feels unwiped. So you end up putting toilet paper between your ass and your underwear so you don't ruin them with those dreadful skid marks.

THE SECOND WAVE SHIT

This shit happens when you've finished, your pants are up to your knees, and you suddenly realize you have to shit some more.

THE BRAIN HEMORRAHAGE THROUGH YOUR NOSE SHIT

Also known as "Pop a Vein in your Forehead Shit". You have to strain so much to get it out that you turn purple and practically have a stroke.

THE CORN SHIT

No explanation necessary.

THE LINCOLN LOG SHIT

The kind of shit that's so enormous you're afraid to flush it down without first breaking it up into little pieces with the toilet brush.

THE NOTORIOUS DRINKER SHIT

The kind of shit you have the morning after a long night of drinking. It's most noticeable trait is the tread mark left on the bottom of the toilet bowl after you flush.

THE "GEE, I REALLY WISH I COULD SHIT" SHIT-

The kind where you want to shit, but even after straining your guts out all you can do is sit on the toilet, cramped and farting.

THE WET CHEEKS SHIT

Also known as the "Power Dump". That's the kind that comes out of your ass so fast that your butt cheeks get splashed with the toilet water.

THE LIQUID SHIT

That's the kind where yellowish-brown liquid shoots out of your butt, splashes all over the side of the toilet bowl and, at the same time, chronically burns your tender poop-chute.

THE MEXICAN FOOD SHIT

A class all its own.

THE CROWD PLEASER

This shit is so intriguing in size and/or appearance that you have to show it to someone before flushing.

THE MOOD ENHANCER

This shit occurs after a lengthy period of constipation, thereby allowing you to be your old self again.

THE RITUAL

This shit occurs at the same time each day and is accomplished with the aid of a newspaper.

THE GUINNESS BOOK OF RECORDS SHIT

A shit so noteworthy it should be recorded for future generations.

THE AFTERSHOCK SHIT

This shit has an odour so powerful than anyone entering the vicinity within the next 7 hours is affected.

THE "HONEYMOON'S OVER" SHIT

This is any shit created in the presence of another person.

THE GROANER

A shit so huge it cannot exit without vocal assistance.

THE FLOATER

Characterized by its floatability, this shit has been known to resurface after many flushings.

THE RANGER

A shit which refuses to let go. It is usually necessary to engage in a rocking or bouncing motion, but quite often the only solution is to push it away with a small piece of toilet paper.

THE PHANTOM SHIT

This appears in the toilet mysteriously and no one will admit to putting it there.

THE PEEK-A-BOO SHIT

Now you see it, now you don't. This shit is playing games with you. Requires patience and muscle control.

THE BOMBSHELL

A shit that comes as a complete surprise at a time that is either inappropriate to shit (ie. during lovemaking or a root canal) or you are nowhere near shitting facilities.

THE SNAKE CHARMER

A long skinny shit which has managed to coil itself into a frightening position - usually harmless.

THE OLYMPIC SHIT

This shit occurs exactly one hour prior to the start of any competitive event in which you are entered and bears a close resemblance to the Drinker's Shit.

THE BACK-TO-NATURE SHIT

This shit may be of any variety but is always deposited either in the woods or while hiding behind the passenger side of your car.

THE PEBBLES-FROM-HEAVEN SHIT

An adorable collection of small turds in a cluster, often a gift from God when you actually CAN'T shit.

PREMEDITATED SHIT

Laxative induced. Doesn't count.

SHITZOPHERENIA

Fear of shitting - can be fatal!

ENERGIZER vs DURACELL SHIT

Also known as a "Still Going" shit.

THE POWER DUMP SHIT

The kind that comes out so fast, you barely get your pants down when you're done.

THE LIQUID PLUMBER SHIT

This kind of shit is so big it plugs up the toilet and it overflows all over the floor. (You should have followed the advice from the Lincoln Log Shit.)

THE SPINAL TAP SHIT

The kind of shit that hurts so much coming out, you'd swear it's got to be coming out sideways.

THE "I THINK I'M GIVING BIRTH THROUGH MY ASSHOLE" SHIT

Similar to the Lincoln Log and The Spinal Tap Shits. The shape and size of the turd resembles a tall boy beer can. Vacuous air space remains in the rectum for some time afterwards.

THE PORRIDGE SHIT

The type that comes out like toothpaste, and just keeps on coming. You have two choices: (a) flush and keep going, or (b) risk it piling up to your butt while you sit there helpless.

THE "I'M GOING TO CHEW MY FOOD BETTER" SHIT

When the bag of Dorritos you ate last night lacerates the insides of your rectum on the way out in the morning.

THE "I THINK I'M TURNING INTO A BUNNY" SHIT

When you drop lots of cute, little round ones that look like marbles and make tiny splashing sounds when they hit the water.

THE "WHAT THE HELL DIED IN HERE?" SHIT

Also sometimes referred to as The Toxic Dump. Of course you don't warn anyone of the poisonous bathroom odour. Instead, you stand innocently near the door and enjoy the show as they run out gagging and gasping for air.

THE "I JUST KNOW THERE'S A TURN STILL DANGLING THERE" SHIT

Where you just sit there patiently and wait for the last cling-on to drop off because if you wipe now, it's going to smear all over the place.

THE "YOU'VE GOT SHIT ON YOUR SHOES, YOU SHIT SHOE BASTARD" SHIT

No explanation required.

So you think you're green then?
Do you really re-cycle everything you can?

Here's a few new ideas for recycling

Light Bulbs

Every time a light bulb dies, carefully store it in a box until you move house then, replace all the good ones with duds, and therefore recycle the good ones

Toe Nail Clippings

Save all your clippings especially the long ones. When you've a bag full send them to the people who make combs.

Old Matches

Save all your used matches, and when you've got a box full, send them to the people who make those crafty match making kits.

Tea Bags.

When making tea in the cup, do you use a bag once, then throw it in the bin? Why not save it for when Aunt Maud comes round who doesn't like strong tea and re-use it?

Junk Mail

We all get tons of the bloody stuff these days. So why not save it up for a couple of weeks, then send it to China to help them make their boats.

Newspapers.

Free, daily, Sunday Weekly we all get loads of um. Why not store them carefully, possibly in the attic or shed for about six months. Then get them out and re-read them, as you'll have forgotten all the stories by then.

Quorn Hash House Harriers - Rash Hag

Steve is shopping for a new motorcycle. He finally finds one for a great price, but it's missing a seal, so whenever it rains he has to smear Vaseline over the spot where the seal should be. Anyway, his girlfriend is having him over for dinner to meet her parents. He drives his new bike to her house, where she is outside waiting for him. "No matter what happens at dinner tonight, don't say a word." She tells him, "Our family had a fight a while ago about doing dishes. We haven't done any since, but the first person to speak at dinner has to do them." Steve sits down for dinner and it is just how she described it.

Dishes are piled up to the ceiling in the kitchen, and nobody is saying a word. So Steve decides to have a little fun. He grabs his girlfriend, throws her on the table and has sex with her in front of her parents. His girlfriend is a little flustered, her dad is obviously livid, and her mom horrified when he sits back down, but no one says a word.

A few minutes later he grabs her mom, throws her on the table and does a repeat performance. Now his girlfriend is furious, her dad is boiling, and her mother is a little happier. But still there is complete silence at the table.

All of a sudden there is a loud clap of thunder, and it starts to rain. Steve remembers his motorcycle. He jumps up and grabs his jar of Vaseline. Upon witnessing this, his girlfriend's father backs away from the table and screams, "OKAY, ENOUGH ALREADY, I'LL DO THE DISHES!!"

On the top of a tall building in a large city, there was a bar. In this bar, a man was drinking heavily. He would ask the bartender for a tequila shot, then walk out to the balcony and jump off.

Minutes later, he would appear in the elevator and repeat the whole process.

This one guy watched this happen a number of times until curiosity got the better of him. Finally, he went up to the man and asked, "Hey, you keep drinkin', then jumpin' off the balcony. And yet, minutes later, you're back again. How do you do it?"

"Well, the shot of tequila provides a buoyancy such that when I get near the ground, I slow down and land gently. It's lots of fun. You should try it." The guy, who was also quite pissed out of his gourd, thought to himself, "Hey, why not?" So he goes to the bar, drinks a shot of tequila, then walks out to the balcony, jumps off, and oooooooooooooo, splat!

The bartender looks over at the first guy and says, "Superman, you're an asshole when you're drunk."
