RUN NO. 3
'ON ON' IN COSSINGTON
HARE: (Mango & Kelly) TRAIL: (Chalk & Sawdust) RUNNERS: (32)
APRIL 26th 1987

WOW! the number of participants is growing rapidly including our now faithful nucleus of lunatics also fresh virgins and the return of Sherwood H3.

The pack charged off at 11.12 am always a noisy affair. Unfortunately Sheelagh (virgin) who came complete with Springer Spaniel named **BRANDY** was tripped up by the bewildered dog the excitement was too much for the hound, to handle, and down went Sheelagh who I might add recovered enough to continue the run.

A scenic trail covering green fields, and a long run around the Cossington lakes full of the many species of birds and wildlife. On to Junction Lock where our overseas visitor from Australia Kelly Hunter official Hash Booze for the day was waiting to distribute refreshments to a very hot and sweaty pack. Photo time and short stop before returning home along the banks of the river passing by Cossington Mill and the weir. Definitely not enough checks or false trails as the pack was far too spread out with F.R.B's arriving at the pub 10 minutes before the last S.C.B's.

QH3 completely took over the garden of the Royal Oak, the sun shone (**AGAIN**) and the beer was a wondrous sight.

DOWN DOWNS from our bedpan included.

"Hash Cash" Rod '**PUDDLES**' Barkby for eventually showing up for our third run.

"On Sec" for being crazy enough to be running in this years London Marathon on May 10th. Good Luck '**ZUPADA**'
