HARES: (Zupada & Dickless) TRAIL: (Sawdust) RUNNERS: (12)

RUN NO 7

Well fellow hashers I have completed my first trail as a hare it was truly a "HARE RAISING EXPERENCE"

Once again the sun shone on the unrighteous, the Sherwood trio arrived late after visiting ever car park in the area.

The first half of the trail went without a HIC UP, through the shiggy and the brambles they went with only the sound of "ON ON" "OUCH" "BLOODY BRAMBLES" and other words I had never heard before. How nice it is to hear the sounds of nature loving hashers echoing through the woods!!!!!!!!!!!!!!

After 45 minutes of going up and down dale the pack was ready for a pit stop which I had placed on top of a large mound, I wonder why the pack did'nt appreciate the climb. The pit stop did'nt last long we were attacked by thousands of flys.

Off the pack went into the undergrowth, brambles and shiggy, the pack was so confused by the twists and turns of the trail not one of them managed to short cut.

When we arrived back at the car park who should be there but "GAZUNDA" he'd missed the start due to being stopped by the Loughborough Half Marathon.

On home we went to the Swithland pub.
