RUN 37 NANPANTIAN "THE PRIORY"

March 18th

Hares :Mango + Crafty.

Well It was just like the old days, Crafty and Mango as hares, the beautiful Leicestershire countryside and a lovely sunny day- what better combination!

First off, a photo stop for all the hashers daft enough to run up and down the Priory car park waving arms like a load of demented idiots! (Look for the Loughborough Echo w/c 2 April) Next a quick briefing, complete with explanation of the markings and they were off! 10 minutes later the pack were back at the start! A cunning loop returned them passing the pub to pick up any late-comers. Fortunately, a merry band of hashers from Wessex (welcome!) swelled the pack to an impressive total of 19.

Anyway into the depths of Swithland woods they went, up and down false trails, tricky checks and much trampling of bracken! Eventually the FRB's (Gazunda, Rodney, Ellymay) arrived at the car park. Positioned conspicuously at the far end was an Ice cream van! Yippee!! The sudden influx of sweaty hashers boosted sales by 500% and created a queue the size of which hadn't been seen since last July fortnight!

Anyway having said all that it was a great run in superb conditions and in excellent company! Roll on the next Mango and Crafty production.
