Run No. 43
 Bradgate Park - Old John
 'Wallingtons' Wandering
 16th September 1990

♫ ♪ 'Early one morning just as the sun was rising, I heard a Hasher calling from the valley below' (On! On!) ♪ ♫

Actually, it was a sunny start to another glorious QH3 event. Today was Wallington's trail to beat all trails, with cunning loops, back checks, false trails - you name it! This had every sign of being the best yet! However, twenty minutes and five miles later the pack realised the first check had been washed away (deliberately!) so a hasty re-group was necessary. But for wot!, the trail was revealed down towards the golf course 'Fore!' - watch those flying balls! (No-one was hit!) and on towards the pretty village of Woodhouse Eaves and a 1-in-5 climb (ha! ha!) out towards a brambly hedgerow and a much earned BS.

After what seemed like hours (so I'm told) a well watered pack lunged off much the worse after several helpings sampling the local brew.

Next it was on to Swithland Wood and more tricky stuff to follow! Wallington reached such speed on the straight pathway he actually left the ground! Unfortunately, not being designed for flight he plummeted. Luckily, there was Mango and Zupada to nurse his injuries in true St John's style - no kiss of life required! By now the excesses of the beer stop began to take it's toll - the entire pack needed a tinkle! pee! widdle! waz! and naturally, not a receptacle in sight! Ah well, to the bushes again. On! On! and On! In!.
