RUN 66 61  
SUCK IT AND SEE

Well the hares of Quorn hash certainly know how to surprise the pack.

But first of all my apologies to Optimistic and Whisper for turning up on the Monday due to a miss understanding about the date. ( Optimistic we look forward to seeing you and the tribe in November).

On On to the run, the first Quorn run in the dark and what a night it turned out to be, the pack congregated in Ilkeston Leisure centre raring to go but as usual Whisper wasn,t ready and dragged a reluctant ? "Zupada" off into a dark corner to hold his jacket, his shirt, his trousers and yes even his striped boxer shorts ( I didn,t look honest!!!!) by now the pack was keen to be on their way so after being dragged away by Shit Face off we went.

Off we went into the countryside with shouts of ON ON echoing in the darkness. the pack was flashing all over the place, check points took on a new meaning in the darkness, the pack came to a sudden halt check point with a stream in front of us with a very obvious blob of flour on the over side, no we all said it,s a false trial "WRONG",

Now here is a sad story to shame the hearts, nay the souls of all intrepid hashers, all of the pack except two jumped into the stream with much shouting and carrying as is expected of the true breed, but to my shame as G.M (OH NO DO I HAVE TO ADMIT TO HAVING TWO WIMPS IN THE PACK) they sat on the bank and took off their trainers, because they didn,t want wet feet (OH GREAT HASHING GOD IN THE SKY FORGIVE THEM FOR THEY KNOW NOT WHAT THEY DO)

The two will remain anonymous but be warned the great hashing god in the sky will be watching.

On the pack went through a golf course round the fields, across the roads, with shouts of dead babies, dead dogs, watch out for the alligators, as Mango and Zupada re-lived hashing in a swamp in Florida.

All too soon we returned to the car park thinking that was a great run now to the pub WRONG!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

In to the swimming pool we went for a swim or so we thought WRONG!! SCUBA DIVING .....SCUBA DIVING..... SCUBA DIVING My god what a experience some of us took to it like fish out of water, and then again some of us swam gracefully under the water, Good moaning roared up and down the pool with Baldy Cock in pursuit who groped my body every time he went by. All too soon time was up and reluctantly the hash retired to the pub.

Conversation overheard in the pub, I KEPT PUTTING INTO YOUR MOUTH, BUT YOU KEPT SPITTING IT OUT, GOD KNOWS HOW MANY TIMES I TRIED BUT YOU JUST KEPT SPITTING OUT, I KNOW BUT IT DIDN'T SEEM NATURAL TO KEEP IT IN, AND I'M SORRY I CRAWLED ALL OVER YOU.

The pack reluctantly said good night at midnight.

SO FOR ALL OF US THAT ENJOYED THE NIGHT, THANKS BALDY COCK AND BOTTOM TIME FOR A GREAT NIGHT, AND TO THOSE THAT DIDN'T TURN UP TOUGH SHIT YOU MISSED A NIGHT TO REMEMBER.

Would you like the Christmas run to turn into a weekend, with the run on the Saturday and a ON ON carrying into Sunday, I, ll being asking for comments at the next run.

Quite a few of the hashers will be taking part in the FARMYARD FROLIC I enclose a entry form, but please don,t think we are turning into serious runners, this will be FUN FUN FUN.

"Why can't you use a lilo like everyone else?"
