

RUN 1001: Sunday 21st April 2019. Measham Library Car Park
Hares: Bugger & Goblin. The Easter run

Run 1001....We went on an Egg Hunt! Some of us had an Easter bonnet on to shade us from the glorious sunshine the RA arranged for us!
Well done B*gg*r and Goblin for a great trail from Measham Library car park, and through bluebell woods. The millionaire's shortcake at the end elevate it to the highest tier of trails.
