

RUN 1018: Sunday 15 December, Frame Breakers Arms, Ruddington. Jingle Balls Run Hares: Butcher's Dog and Lincolnshire Sausage

Jingle Balls, Jingle Balls Jingle all the way, we ran Butcher's trail and had mince pies on the way!!!

QH3 Run 1018 from The Frame Beakers, Ruddington. Butcher's was joined by Sausage as hares. B*gg*r, the RA took credit for a cold and crispy sunny hash. Welcome to Sam (virgin), and returners Smutley, Crooked Squire and Cinderella. The lure of mulled wine drink stop, mince pies and lovely shortbread obviously worked. A cleverly laid trail which took advantage of the paths in and around Rushcliffe Country Park.
