

RUN 1019. 5th January 2020. The Holly Bush, Breedon on the Hill Leicestershire. Hare: Ballcrusher.

There was a welcome to Tahir, virgin to Quorn Hash and although it was his 5th Hash, had no name up to date. Remedied in the circle after the hash as he had to scoot off to have lunch elsewhere so was named "Not Here" by the RA. Cheers for the nuts!

The hare made a gallant effort to secure The Best Trail Award for the New Year, setting a shiggy trail with more ups than downhills, crossing the county border into Derbyshire and claiming two fallers. First of which was Durex, who claimed that the dried up potato plant grabbed his foot and Border Line who plunged an outstretched arm into the newly ploughed furrow, foraging for potatoes. The walkers were able to keep up with the pack by the various short cuts planned by the hare.

A great On Inn with good beers and lovely chip cobs which were another bribe from the hare. Goblin provided the delicious fruit cake for afters.
