

RUN 1020. 19th January 2020. Stamford Arms, Groby. Leicestershire. Hare: Wallington..

QH3 1020 in lovely Groby, Leicestershire. RA B*gg*r, claimed credit for a cold, crispy, sunny day.

A very good turn out with virgin hasher Vicky and chocolate brown Labrador George. Jetslag made a welcome return as it was close to home and Tahir came to his second Quorn hash with his friend Klyngon. Always good to see visitors Salty, Split Ends and Bondage. It was a bit like waiting for buses today as we haven't had a naming for a long while and we had two today. Tahir, was named Not'ere as he left before he had his down down on his first hash. The second naming was for Vicky who brought who's dog loved the flour marking the trail so much, it gobbled it up! George was so eager to get going that he was dragging Vicky along the road when we set off; hence she was named Drag On.

Wallington got a delicious carrot cake made by Goblin in exchange for sweatshirts which he very generously handed out as a gift to celebrate his 500runs. Thanks Wallington.
