

**RUN 1040.** 19<sup>th</sup> December 2021. Jingle Balls Trail. The Boat. Loughborough Hare: Wallington

What a cracker of a Christmas hash, full of cheer and fun. Barritone led the carol singing on the bandstand and hashers spread joy amongst children they met by giving out sweets and Christmas crackers. Our vocal chords were refreshed on route at The Windmill, a pub stop before the On Inn.

A hashy birthday to Borderline, who made sure we all knew about his special day by wearing a bright yellow tie. A big thank you to Goblin who made a delicious birthday cake, mince pies. Which we enjoyed after the buffet.

Wishing everyone a very Hash Christmas and many hashes in the coming year.
