

NEWSFLASH!!! QUORN HARRIETTES FAIL TO DEFEND HERR BARRITONE

Run # 251. Sunday July 19 1998

Two Amazons visited our Sunday run. They took advantage of our sweet Barritone. Not one QH3 Harriette protected him. The visitors pounced on him when they realized he was the most honoured member of the group. Barritone had just been rewarded with our glorious HASHIT. Two pairs of panties from the Amazons were draped over our Hashit to demonstrate easy access and availability. Then the pair of beauties surrounded Barritone and posed with their trophy. We're sure he submitted to this moral degradation only to prevent causing an ugly scene. Still no help was proffered from the rest of the pack. Our two law enforcement harriettes were being cleverly distracted by the two male decoys who had been brought by the Amazons to distract the QH3 Harriettes. It Worked! Also Mudflaps and Wet3 were too busy griping about the fact that no one marked the checks and they took ages to solve each one. (Teach em to arrive on time)!

Poor Barritone. Two other harriers drank beer through the panties to demonstrate approval of the invasion. Barritone was hugged, kissed, then removed from the scene by the gals. The panties now remain to decorate our Hashit ...unless Barritone decides to keep them for himself.

Warner's

Police arrested Malcolm Davidson, a 27 year old white male, resident of Wimbledon, in a pumpkin patch at 11:38pm Friday.

Davidson will be charged with lewd and lascivious behaviour, public indecency, and public intoxication at the County courthouse on Monday.

The suspect allegedly stated that as he was passing a pumpkin patch, he decided to stop. "You know, a pumpkin is soft and squishy inside, and there was no one around here for miles. At least I thought there wasn't," he stated in a phone interview from the County courthouse jail.

Davidson went on to state that he pulled over to the side of the road, picked out a pumpkin that he felt was appropriate to his purposes, cut a hole in it, and proceeded to satisfy his alleged "need".

"I guess I was just really into it, you know?" he commented with evident embarrassment. In the process, Davidson apparently failed to notice the Wimbledon Municipal police car approaching and was unaware of his audience until officer Brenda Taylor approached him.

"It was an unusual situation, that's for sure." Said officer Taylor.

"I walked up to (Davidson) and he's...just working away at this pumpkin."

Taylor went on to describe what happened when she approached Davidson. "I just went up and said, 'Excuse me sir, but do you realize that you are screwing a pumpkin?'

He got real surprised as you'd expect and then looked me straight in the face and said, 'A pumpkin? Damn...is it midnight already?'
