Down downs

Hares - Scrooge for not going to the red light area.
- Skidmarks for the trail ..

Kelly - Virgin - Visitor from Chicago .

~~Matti~~ ~~teaser~~ - New shoes .

Sleazy Rider (Nominated the birthday boy 2 Tuff to share) For planning a Sunday run in Snowdonia (Sundays being dry) .

I nearly didn't make it on time but on arriving at the chosen watering hole , the hashers present didn't seem in a hurry to leave , so I settled down with a drink and chatted to the virgin from Chicago who was looking forward to the hash as she felt that the maze of Nottingham streets will become less frightening afterwards , (it has never worked for me ... but eh I'm not renowned for my navigation skills !) .

Bugger and Goblin arrived breathless after their dash , and finally we set off after Skid enlightened the pack about the various checks paying particular attention to the one on the island that isn't an island but there again it is sort of .

Baritone and Bugger were the FRB's and there was more than a hint of excitement in Baritone's voice when he cried out " The Red Light Area ! " , and ran faster in the hope of a glimpse of a naked thigh and a suspender belt , but alas it was not to be as we skirted round it so near and yet

This was a pavement hash and not a smidgen of shiggy in sight . What a shame ! I wasn't complaining since it was decided that I had new shoes , even though the pong emanating from them couldn't have escaped anyone's nostril , I knew that I'll be drinking out of them despite my protests .

The Trip to Jerusalem provided the pack with a welcome rest . Bugger offered me his lap but wouldn't say if it was soft so I sat on a hard bench instead !

I was disappointed to hear Titty Titty Bang Bang ~~to~~ prove his theory that God isn't a woman otherwise spunk would be chocolate flavour, however I was devastated to realise that the GM cannot be God either as we all know that PG is a chocoholic.

Back at the On INN, Baritone was full of praise for the hares and their choice of pub and the night ended with a ruckus chorus of Happy Birthday for 2 Tuff.
