

Run 467 dated 26th April 2004 time 7.15pm.

Hare:- Rockhopper

Quorn Hash House Harrier

was at

The White Hart, Quorn, Leicestershire

Attendees were

Wallington, Clementine, Silent Pant, Smutley, Butt Plug, Durex, Bugger, Dobber, Too Tuf, Chicki, Sybil Snot, Butcher Dog, Ball Crusher, Woggle, Who's Whose, Andy Love (virgin), and finally Mad Dog.

As I left home at Markfield some 10 miles away, it was pouring I mean pouring down with RAINS. Rain was everywhere, but when I arrived at The White Hart's pub, it turned to drizzle and eventually rain stopped.

I was slightly too sick to run! Well actually I was suffering from dizziness/spinning, and for this the Grand Master inflicted me with the Nightmare Scribe Work!!!!!!!!!!

On On we went, to the first check, majority of them turn the right turn, it was turn right in the centre of the village, with me carrying a black umbrella, feeling like a nutter!!! I wish I could fly like Mary Poppin did with her magic broom, as I could not see the front-runner bastards for miles. Just then Clementine and Silent Pant, roar passes me from nowhere!!!

But then tonight I was a short cutter, I did managed to walk through the lovely woody pathway in the opposite direction where as the rest of the hashers right way back to the pub which mark ON INN!!!

Still I was first back at the pub, sipping my precious beer, at the same time feeling dizzy from time to time, (Two days later after visited my lady doctor, yes that lovely doctor actually say I was suffering from LABYRINTHITIS in another word I got the F\$\$\$\$\$g V\$\$\$\$s from the Bastard!!!!!!!!!! No wonder I could not stop spinning inside me!!!!!!!!!!

Anyway at the circle for our usual down down ceremony, Our RA did a grand job, well a fantastic one, in less than a minute Tufty got every in stitches (the packed hashers could not stop laughing for what seem like hours. (I was actually amazed by it all, as I usually don't follow the jokes, or funny comments)

So here is the comment that actually got the Hash Pack in stitches!!!!!!!!!!!!!!!!!!

CHICKI for being a Dope Fiend!!!!!!!!!! What smoking cannabis? I wish I could!

DUREX for lying to the R.A. about it Raining (yes the boring old weather!)

ANDY LOVE for being a virgin and also after seeing the Butcher's Dog run! His comment was do I have to run like that!!!

DUREX again for Check Cheating, saw which way Butcher's Dog went!!!

CLEMENTINE in regarding to Silent pants was in Victoria Centre, while infact Silent Pants was at Broadmarch while on mobile phone!!!

BUGGER for being interrupted in circle, don't ask me why!!!!!!

Smutley for being Delusion of Grandeur!!!!!! And Butcher's Dog and Smutely for running together!!! In falling love again????!!!

Mad Dog for thinking Clementine is a Harriette (but he is actually a bloke!)

Finally, not forgetting the Hare, Rockhopper for laying the trail, I am sure it was a good flat run!!!!!!!

So you can image why all the hashers are having a good time with roar of laughters. Thank Tufty, by the way Tufty Happy Birthday for Thursday 29th April 2004
