

RUN 993: Sunday 6th January 2019. White Lion, Bramcote.

Hares: Shagulater & Miss Takemenow

QH3 run 993, White Lion, Bramcote. Well done Shagulater and Mistakemenow for an excellent trail today. You went a bit over the top with trail signage! Highlights of today's event: 2018 Hash Committee fired. Malteaser erected new GM, further positions to follow. Talia named Teabag. FRBs long cut on the trail to visit the top of Stapleford Hill. Shagulater always likes to set a trail early in the year so he can get the accolade of best trail of the year (well for two weeks at least).
