

**RUN 997: Sunday 3<sup>rd</sup> March 2019. The Malt, Ashton on Trent.**

Hare: Ballcrusher

The drizzle didn't put a dampener on this trail in Derbyshire. Plenty of shiggy. Always good to be by water and to see sheep in the fields. Miss T was not impressed by the fly tipper who left a mess in her way. The hare provided chip butties in the pub afterwards to ensure a good run score!
